THE FOUNDATION FAITH OF GOD

Outreach '80

JUNE 1980

And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth.

Go ye therefore, and teach all nations, baptising them in the name of the Father, and of the Son, and of the Holy Ghost:

Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen.

Matthew 28:18/20.

HEALING TESTIMONIES

FROM NEW YORK

In January 1980, Marge was admitted to the hospital in severe pain.

Her family was shocked to receive the diagnosis of **inoperable, terminal cancer.**

Marge was placed in a nursing facility to await chemotherapy. Meanwhile, her nephew, a New York journalist and friend of *The Healing Ministry,* brought Marge's condition to the attention of Rev. Sharon St. Joan during a Healing Celebration in New York.

Leading the congregation in prayer, Sharon offered Marge into the *healing hands* of Jesus Christ.

When Marge was examined again prior to beginning chemotherapy, the doctors discovered that GOD had healed her completely! The **cancer was gone** and Marge's case is now a matter of hospital records! *Thank You Jesus!*

FROM ATLANTA

"I had a **stomach ulcer,** and I had been going to doctors for treatment, but they could not help me. I met a Christian lady in Atlanta airport, where I work, and she directed me to Rev. Raphael de Peyer. He prayed the *prayer of grace* with me and laid on hands. Afterwards I went again to see the doctor. He told me that I had **no ulcer** any more. I'd like to tell everybody who has a problem *to give it up to Jesus."*

Andrew Smith
Atlanta, Ga.

"I think the Lord brought me to Atlanta. At the time I had *little self-confidence* and was not sure that I was really good for anything. After the first Spiritual Consultation with Rev. Charity Benedicte I began to open up and recognize that I needed *forgiveness.* But probably the biggest change happened when I was given the help to see that I needed to forgive others, *with Christ's help.* It has helped me to see others as they are and if I'm able to let them be I also feel better about myself."

PRISON MINISTRY

"I was in prison, and ye came unto me." Matthew 25:36

Sister Ione Lorraine, Director of the *Canadian Headquarters'* much acclaimed prison ministry, and ministry volunteer Mark Breach have teamed up to produce a monthly newsletter for inmates called *"The Voice of Freedom."* The newsletter is written from an inmate's point of view and combines scriptural messages with Brother Breach's own experiences as a prisoner.

Here is a sample:

"...Everybody is trying to be somebody they're not. The men aren't to blame - selfishness is! Fights at mealtime because somebody wants more than his share. Fights at the film because somebody wants a better seat. I could go on for hours.

"I found myself sitting in the prison yard thinking ... 'My GOD, this is an exact replica of the society I left!'

"Man's injustice to man is never left outside the walls . . . In prison, the more powerful take from the weak the same way they do anywhere else. Look at it for what it really is - a big vicious game that we have got to stop playing. It is costing us our lives! Worse still, it is costing us our everlasting lives!"

The Voice of Freedom is distributed free of charge to inmates at several Ontario prisons, and will soon be available for use in all Foundation prison ministries.

Through this, and through programs of workshops and personal counselling, Foundation Ministers and volunteers are *reaching* and *touching* men and women *behind bars* with the **knowledge of Jesus Christ.** Our sincerest thanks to all of you whose *generous support* of this work has made such innovative programs possible. *GOD* bless you!

FOUNDATION PERSPECTIVE

Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins.

I John 4:10

Increasingly, the question of **survival** is in the news. *Fallout shelters* are making a comeback, and *dried foods* are being *stockpiled* by the ton all across North America. Some people are getting rich teaching others how to use *weapons* to defend themselves in what they see as the *inevitable riots and chaos* to come. Others are banding together in small groups and taking to the wilderness to begin self-sufficient communities separate from a world they perceive as *falling apart.*

Are such people just so many oddballs and pessimists, or are they listening to a **prophetic voice** that is telling them to prepare?

This month for *Foundation Perspective* we interviewed three Foundation teachers on the question of survival: Rev. Celeste Coale, Rev. Steven Hirano, and Rev. Michael Mountain.

Rev. Celeste Coale: Senior advisor and Associate Director of Foundation National Ministries.

"I believe that we are in the latter days and everything I read in the newspapers and see on the nightly news confirms my conviction. The signs are all there, and it's not surprising that a lot of people are frightened and are trying to do something practical to cope with a very uncertain future.

"However, as The Lord gives me to see it, what we are witnessing is not just social upheaval or economic collapse. I believe that these are the days prophesied as days preceding the Second Coming of Christ. Survival isn't a matter of physical precautions, but spiritual preparations."

Rev. Steven Hirano: Director of Canadian Headquarters.

"Without doubt there will be times of great difficulty and tribulation ahead. This is no longer simply a matter of prophecy, it is a matter of common sense. In fact, in many ways the times of trouble are already upon us.

"Jesus Christ gave us prophecy and specific instruction for these times, especially in the 24th chapter of the Gospel of Matthew, that we might be ready for His Return. But we must be ready spiritually as well as physically. I have seen and heard of more supposed "New Age" groups and survival communities that have fallen apart because of disagreement and disputes. Without the Love of GOD, without The Holy Spirit and the doctrine of Jesus Christ, it doesn't matter how far away people remove themselves from the world, they will simply re-create the flawed society of man apart from GOD.

"The essential ingredient of any survival movement is Jesus Christ."

Rev. Michael Mountain: Director of the Jewish Crusade for Jesus and host of the Michael Mountain Show on KXEG Radio in Phoenix.

"GOD **is** *life. We really live only when GOD lives in us. Survival is not something to think about for the future: survival is a question that we must relate to today.*

"The way we think, the way we relate to others, the way we nourish and care for our physical body . . . all these things express our will to survive.

"As far as taking off to the mountains is concerned, the time for that will come, but until that time is here, I believe GOD wants His people to be on hand to minister to and receive the lost souls who will turn to GOD during the coming tribulation. GOD's people must be there with the healing Love of Jesus Christ to be a standard against the fear that shall prevail in those days."

PHOENIX

"L'Chaim"

"L'Chaim" means *"To Life!"* in Hebrew and so it is a most appropriate name for a new line of health products from *The Jewish Crusade for Jesus.*

Crusade Director Rev. Michael Mountain is an outspoken proponent of **proper diet** and **nutrition,** and his extensive research into *vitamins, minerals* and *natural healing methods* has made him an expert in the field.

"The body is the temple of The Spirit, and we have a duty before GOD to keep it in good health. Natural foods, vitamins and minerals are essential to our well being and survival." says Rev. Mountain.

The *"L'Chaim"* products constitute a complete and balanced basis for perfect nutrition.

For details, please write to Rev. Mountain at *The Jewish Crusade for Jesus.*

MEDIA

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."
Matthew 24:14

Radio and *television* are the most effective means of evangelism, and they make possible the fulfillment of *Christ's prophecy* for the latter days.

Every day of the year, The Foundation Faith of GOD gets out the message of Jesus Christ over radio and television around the U.S. and Canada.

In addition to regular Foundation broadcasts, Foundation Ministers are frequent guests on talk shows and general interest programs, as well as religious broadcasts such as the *700 Club* and the *PTL Club* which is hosting an interview with *Crusade of Innocence* Director Rev. Lucia Smith in August.

For information about daily or weekly *Foundation broadcasts* in your area as well as special guest appearances please contact the *Outreach Ministry* nearest you.

This month The Lord guides us to extend our deepest thanks to the following television and radio stations for opening their air waves to Foundation Ministers and the Message of Jesus Christ: WOR-AM, WXLO-FM and WNEW radio in New York; WBZ Boston; WQUE New Orleans; KFMB San Diego; WERC and WKXX Birmingham; KXEG Phoenix; KKDA, KRLD, WFAA, KNOK, KNUS and Channel 11 TV in Dallas; WEWF-TV Cleveland.

May The Lord always bless your work on His behalf.

GHANA

Each month Grace Asare-Djan writes to tell us of the growing membership of the Atlanta based *Circle of Power* in Ghana, and the many ways in which The Lord is blessing them.

She writes:

"This time of year is the hot season in our country. All through Holy Week we met each day for prayers asking our Father in Heaven to send down rains because farmers have started planting crops and their only hope is rainfall. Oh, praise the Lord, we had rainfall on Holy Thursday and Good Friday. Is He not a wonderful God? Praise Him! Amen."

MINISTRY OF MIRACLES

"And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other."
Matthew 24:31

Rev. Estelle Lehnen, Director of the Toronto based *Ministry of Miracles*, has begun a new series of advanced workshops about GOD's holy angels. As in the preliminary course *"Walking with the Angels"*, Rev. Lehnen's instruction in the advanced series is designed to focus one's thoughts and relationships on the fact of GOD's *ever-present guiding hand* through His angels.

The new course will run on a repeating five week cycle. For details, please contact *the Canadian Headquarters.*

Newsletters published by individual Foundations and Ministries such as the Healing Ministry of the Conquering King and the Jewish Crusade for Jesus, are available on a monthly basis upon request, and are absolutely free of charge.
